CTPC

John Taylor our 2011 Net champion came first in the net flight in the LA Masters Champion of Champions last weekend which was played at Rancho Park and Lakewood. When you see John congratulate him on being a true Champion of Champions. Casey's Tournament players Club congratulates you for winning your flight and representing our club the best way possible. Way to go JT!!!!!!!!!!!!!!!!!!!!!!

One more thing that needs a little mention, our own Pres of CTPC got his first Hole in One Sunday December 4th at Simi Hills Golf Course. Hole number 17 (175 yards) Paul hit a towering 5 iron right at the pin but lost sight of the ball before it landed. Once at the green he could not find his ball. Then the unthinkable could it be!! Look in the hole no it cannot be!! But there was his Srixon ball the one with the P looking right back at me. **Wow**, was the cry!! Drinks are on me.

HAPPY HOLIDAYS EVERYONE.
