### Sunset Hills Recap

CTPC forgot to inform you all that Sunset Hills was the new venue for the US Open, from the reports I received the rough at Sunset was impossible to play out of, nobody broke 80!! On such a short course there had to be a reason or are we not that good? **Greg Scribner** with an 80 took the "A" flight gross honors and **David Hardacre** with 67 won the low net in "A" flight (George check his handicap). **Phil Panitz** with 92 came out on top in "B" Flight and **Rob Kroll** the net winner after overcoming a card off with **Stella Mount** to take the honors both shooting net 73.

On a somber note we had a controversy over the Yellow Team Ball, the team of **Tom Reed, Phil Panitz, Bill Finkelstein** and **Simon Kiddle** was deemed the winners without producing the Yellow Ball after the round. After reading the rules which clearly state the yellow ball has to be returned their team has been DQ. The only team to bring back the Yellow Ball was **Georgiana Kiddle, Stella Mount, Jeannie Finkel** and **Wendy Jacobsen**, congrats to them in returning that **Pesky Yellow Ball**. Can't leave this subject of the yellow Ball without giving a mention to **John Taylor**, congrats to him is in order for the fastest person to lose the Yellow Ball, **JT the first tee shot** how embarrassing!!!

### Match Play 2010

We just had one match completed this month, **Tom Reed** defeated **Bill Finkelstein** 2 up. For the scores and schedule go to [www.caseysgolf.com](http://www.caseysgolf.com).

### Charity Tournament

Next tournament is our Charity Tournament at **Los Robles**, Saturday, **September 18<sup>th</sup> 9:00 am** start. Format TBD, we are considering creating two teams for a Ryder Cup format; this could be a lot of fun! Please let us know what you think and sign up early.

The following weekend CTPC is the **Annual BBQ** - at **Casey's Tavern** - start time **2:30 pm**. **WE NEED YOUR HELP!** Donations for the raffle, tee signs are available (your name or a company name) for \$25. Please help us make this a success. Remember, all donations are **tax deductible**. The companies and businesses we work with can be possible sources of donations. Pointing out the value of our local charities and the tax ramifications could be helpful. CTPC is very grateful for all the donations we receive every year and we would like to thank you all in advance for your help again this year.
